REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

Lest we forget — It can happen here.

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellar holes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947; nothing could stop the wind driven flames.

It is true such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand — a lighted match or a glowing cigarette.

2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.

3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.

4. *Most important* — instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year — 1971 was a favorable year for the

control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned — 1971 season:

State — 463 fires — 160 acres

District — 106 fires — 611½ acres

TILTON-NORTHFIELD RECREATIONAL COUNCIL

1971 Annual Report

The end of '71 completes 16 years of organized activities provided by the citizens of Tilton and Northfield. The accomplishments this year include:

A. *Center Activities.* The hall (second floor of the Tilton Town Building) was open Monday through Friday (except Thursday) from 6:00 p.m. to 9:00 p.m. The junior grades attended from 6:00 p.m. to 7:30 p.m., while high school grades attended from 7:30 p.m. to 9:00 p.m. The Center was also open from 1:00 p.m. to 4:00 p.m. Saturdays and 7:00 p.m. to 10:00 p.m. every other Saturday for Teen Council dances. A non-regimented program was pursued, providing a meeting place for the young people to gather. Ping-pong, shuffleboard, pool, tumbling, weight lifting, bumper pool, model building, chess, checkers and assorted card games, boxing, punching bags and wrestling were available.

The Teen Council also sponsored movies, dances and special holiday programs on some Saturdays.

Contests were held in the spring, which concluded with a family supper, and awards presented to the winners.

B. *Swimming Program.* Two four-week periods were provided during the summer months. Three two-hour sessions were held daily and included courses from beginners' to junior lifesaving.

C. *Playground.* For six weeks various arts and crafts, indoor and outdoor games were provided for three hours in the morning daily. Weekly bus trips or special events were usually held on Fridays.

D. *"Neighborhood Youth Corps".* A program, designed to employ local teenagers and paid for by the

federal government, was supervised by the Recreation Council. Ten teenagers were approved for various jobs by the Regional Coordinator. The police departments of each town had girls doing office work, while the remainder worked on the summer playground and special town service projects. We have received recognition under this program since we provide a variety of services for the community and the young people employed.

E. Ski Program. The Council sponsored two five-week ski periods at the Highlands Ski Area. A bus left Saturday mornings at 7:45 a.m. and returned by 10:30 a.m. from the elementary school area. The Council coordinates the ski program, thereby obtaining a low cost group rate which the participants pay for themselves.

A ski bus was available during the February school vacation for a nominal 25c charge. The poor response necessitated cancellation after the second day.

F. Babe Ruth Baseball. The Council sponsored a ball team playing in the Laconia League. The boys had an opportunity to play "under the lights" against good competition; some also had the opportunity to play on the All-Star Team.

G. Recreation Basketball. A program was set up during February and March, coordinated with the Tilton Preparatory School facilities. The boys also entered the statewide championships, held in Franklin.

H. Special Events.

1. Red Sox ballgame and a visit to "Old Ironside" was held in late August. Two busloads of kids had a full day's outing.
2. Halloween party, initiated by the Tilton Police Department and selectmen, the Teen Council, Recrea-

tion Council, Northfield Police Department and Tilton-Northfield Fire Department, was an overwhelming success. All took part on this night of spooks and goblins. A costume contest, walk through fun house and parade with sirens and lights brought an estimated group of 350 children to the recreation hall. Various games and contests for the evening were cancelled due to the large crowd. Beverages, apples, doughnuts, masks and candies were distributed to all.

Later in the evening a live band at the Center played to a group of 250 teenagers, who also had free beverages and foodstuffs. Many merchants, companies, individuals and organizations donated funds or products to this happy occasion.

3. Christmas Party. The Teen Council provided games and goodies one afternoon during the holiday season.
4. Skating Rink. A rink was in development at the Northfield Pines by the Northfield Road Agent and the Tilton-Northfield Fire Department. A leak in the water system, coupled with warm weather, prevented completion of this project.

During Christmas week a fire at the Town Hall curtailed our Center activities, including the special New Year's day dance, sponsored by the Teen Council. We will continue to have our outdoor programs and seek another temporary residence. We are actively engaged in future recreational planning, including building and facility programs, on both State and federal levels.

"Thank you" to those individuals and groups who have helped the Council provide activities throughout the year. Special thanks go to the taxpayers of our communities whose support continues to make recreational programs available.

All interested citizens are welcome to attend our regular monthly meetings, the first Thursday of every month. We *do* need volunteers.
